Dear Erwin Resident:

As you may already be aware, the Town of Erwin and the Erwin Area Chamber of Commerce have and continue to actively participate in the State Litter Sweep program in an effort to clean our roadsides from litter; and in this effort, we always encourage the members of our community to join us. For more information about Litter Sweep activities in Erwin, please contact the Erwin Town Hall at the number provided above.

Additionally, the Town has recently developed and adopted an Adopt-a-Street program that also seeks to reduce the amount of litter along the roadsides within our community. The Adopt-a-Street program is offered to individuals, civic organizations, and other groups who share the same interest in making Erwin a cleaner and more beautiful community.

The Town will provide all of the needed supplies to those wishing to participate in this program. All that is required to become a participant in this program is to identify a street or portion of a street that the participant would like to be responsible for; fill out an application, which can be obtained at Town Hall or on the Town website at www.erwin-nc.org; and pickup litter along the roadside of the identified street several times throughout the year. As a partner to the participants of this program, the Town will provide all supplies, collect the litter-filled bags from the side of the road, and place a sign along the road that is adopted – this sign will give recognition to the individual or group who has adopted that road or stretch of road.

With the help of community members and groups and in partnership with the Town, we can make a valuable collective effort in making our community a cleaner and more beautiful place to work, live, and play. For more information, please contact Town Hall or visit the Erwin website at www.erwin-nc.org. We look forward to working with you in making this goal a proud accomplishment.

With Very Best Regards,

Patsy Carson, Mayor
Erwin, NC
