BROWN AND WHITE

The town will collect and dispose of properly prepared “brown” and “white” goods.

Brown Goods: Couches, chairs, tables, dressers, mattresses, etc.

White Goods: Stoves, refrigerators, freezers, etc.

-Items should not be so large that they would not fit in the solid waste collection truck.

-Large furniture or items should be dismantled so that a reasonable person can expect two individuals to easily load onto or off of the collection truck.

-Any appliance must be empty of its contents.
-Any appliance should be locked, strapped, or have the doors of the appliance completely removed.

-All glass in windows, doors, mirrors, and other similar items should have the glass taped with an X to hinder shattering.

-Items should be placed adjacent to or in front of the ditch. Please do not place any item in the street, gutter, or roadside ditch.

Prohibited items include, but are not limited to: building or construction material, demolition material, roofing material, tires, hazardous chemicals, air conditioning units, batteries, and other similar items. Please call Town Hall with any questions.

YARD WASTE

Yard waste collection is provided by the town for residential, non-commercial households.

Leaves and grass clippings may be placed at the curb or in front of the ditch. Please do not bag leaves or grass clippings, and keep them separate from limbs, sticks, rocks, or other debris.

Limbs that are no larger than 6 inches in diameter and no longer than 6 foot in length may be placed at the curb or in front of the ditch. Piles of limbs should be no larger than 6ft x 6ft x 6ft. *Tree stumps will not be picked up.*

Please note that the Town will not collect any tree or limbs when the service was performed by a commercial yard service, or as a result from land clearing work.

Piles larger than 6ft x 6ft x 6ft may be picked up for an additional charge. Residents should place the waste at the curb, then call Town Hall to notify the Town of the large pickup. Public Works will then give the resident the estimate for the large pickup. Payment must be made at Town Hall prior to pick up. After payment, the Town will make its best effort to have the pickup completed within 48 hours.

GARBAGE

In accordance with section 26 of the Erwin Code of Ordinance, please place rollout cans at the curb the evening before your scheduled pickup day, and remove promptly on the same day that they are emptied. Failure to do so may result in a fine of up to \$100.

Garbage collection day is dependent upon address.

Collection days are Monday, Tuesday, or Thursday.

Please call Town Hall to verify your collection days.

All garbage must be in the provided cart. *Anything outside the cart will not be picked up.*

Yard waste, wood/building material, gravel/concrete, tires, or hazardous chemicals will not be picked up.

In the event of a holiday, please call Town Hall to verify alternate scheduling.
